

Molly Tidwell

Secretary

Bio

My name is Molly Tidwell. I am a mother of three and a wife of 19.5 years. I have been working toward a nursing career and will soon graduate with my LPN. Being in nursing has been a great experience and I would like to tell others about the great opportunity. Although this program is not easy it is a satisfying goal to achieve.

1. If you could go anywhere in the world where would you go and why?

Italy - beautiful heritage and buildings to explore. I think it would be very romantic. I never had a honeymoon so it would be nice to go with my husband.

2. Which decade do you think you should have lived through instead of the one we are in now?

Western days would have been my choice.

3. If you could meet anyone past or present who would it be and why?

Elvis Presley, in his younger years. He was so full of life and excitement. Love his music and he was good looking.

4. What occupation would you go into if you weren't going into nursing?

Psychiatry or counseling

**Section 8. The Secretary shall:**

A. Record the minutes of all meetings of this association and keep on file as a permanent record, all reports, documents, rules, and regulations and policies of the association. Distribute minutes of all meetings of USNA, including fifteen copies to NSNA or one electronic copy within one week of the meeting.

B. Sign, with the President, such organizational papers as come into their executive and administrative sphere with approval of the Board of Directors.

C. Keep on file an accurate list of the names and addresses of all officers, committee directors, and school representatives to USNA. This list should include the names of all constituent associations and their officers or directors.

D. Notify all constituent associations of the time and place of the meeting of the association.

- E. Conduct the general correspondence and keep records of all organization correspondence.
- F. Perform duties as assigned by the Board of Directors
