

Heather Wilde

Treasurer

Bio:

Well my name is Heather Wilde and I'm the treasurer in the USNA. I was born and raised in Southern California. I moved to Price, Utah with my husband 4 years ago. We were married in the Manti LDS Temple and have been married for 3 wonderful years. I am currently enrolled in the CEU LPN nursing program. I love the outdoors and anything adventurous.

- 1) If you could go anywhere in the world where would you go and why?

If I could go anywhere in the world I would go to Paris because I would love to visit the fashion capital of the world.

- 2) Which decade do you think you should have lived through instead of the one we are in now?

I think I should be back in the 80's because I love the style and the hairbands. Def Leppard is my all time favorite band.

- 3) If you could meet anyone past or present who would it be and why?

If I could meet anyone in the world it would have to be Napoleon because he is an awesome historical figure.

- 4) What occupation would you go into if you weren't going into nursing?

If I were not going into nursing I would probably be a geologist because I love the landscape, especially here in Utah, and everything about geology. YEP, I'm a science nerd...

Well that's me in a nutshell. I hope we have a great year this year in USNA and hope to get all of you involved.
